Procedural Review: Read Appendix D of the Student Disciplinary Procedures (attached to syllabus email).

Investigative Report Review: Prior to training, you will be given access to a Box folder that contains an Investigative Report. This will be a fictional case for the purpose of training. Carefully read through all the material and take notes on important points, prepare questions to ask the investigators or to discuss with the panel, and bring any additional concerns with you to training for the practice hearing.

ACTIVITIES

Mock Hearing: During training, you will participate in a practice hearing with other members of the committees using the Investigative Report you reviewed and the skills, policies, and procedures covered in training. Instructors will be reviewing the role-play to determine any areas of training that need follow-up and to provide verbal feedback.

ONE-ON-ONE MEETINGS

At any point in the semester all of the OSCR staff are willing to meet with you individually to see how your experience on the committee is going, discuss any concerns, and offer additional assistance with any concepts with which you may be struggling.

ATTENDANCE POLICY
